يطيب لي أن أرحب بكم مرة أخرى وأشكركم على زيارتكم لجناحنا في الملتقى  
العربي للسياسة لهذا العام ٢٠٢٢.

معدتنا كفريق عمل لا توصف للتواجد هنا معكم واللقاء بكم لنطلعكم  
على آخر وأحدث المستجدات في مسيرتنا.

تأتي هذه المشاركة في ظل انفراجة حقيقية لقطاع الضيافة في ظل إنحسار  
الآثار السلبية التي نتجت عن جائحة كورونا في العاملين الماضين.

نؤمن بأن القادم أفضل بإذن الله

Infusing traditional  
heritage with a modern  
outlook, we aim to bring  
forth the essence of the  
true arabian hospitality

الضيافة العربية الأصيلة

جاءكم  
بأهلا

For anything in life to be uniquely exceptional, it must come candidly from the heart... and hospitality is no different.

True hospitality must be both honest and generous in its giving. This is how we at Safir view hospitality in every way that we think, feel and act.

**It is all from the heart.**

For thirty years we followed this belief and it led us to like-minded individuals. Together we are a multitude of distinguished experiences, backgrounds and cultures. One small company, one big family, one main purpose: TO SERVE.

TO SERVE is at the core of what we passionately and tirelessly do. Every minute of every day we give our guests an experience of the local culture in its most authentic form.

Eagerly, we are expanding the Safir culture into new countries and cities. Our sustainable approach protects the environments that we inhabit and supports the social and economic growth of the societies that we join.

For in accordance with the tenets of True Arabian Hospitality, hospitality and generosity are synonymous, and both are deeply rooted within the Safir DNA.
